

NATIONAL HOUSING CORPORATION

SALES OF LEVOLOSI PROJECT

PRESS RELEASE

Once again National Housing Corporation (NHC) has today (Sunday 9th September, 2012) officially announced the sale of new units to be built at Levulosi, Arusha. We are inviting Tanzanian residents and non - residents who are interested to purchase the houses in our newly constructed apartments at Levulosi suburb of Arusha municipality. The project is expected to be completed by January 2013.

Levulosi residential apartments are located near Arusha Technical College along Ngarenaro and Nairobi Road. They can easily be accessed and are also linked to the critical facilities such as hospitals, schools and shopping complex just to mention a few, this is new development within the famous Levulosi area.

This development is expected to provide the home owners with improved facilities such as a secured gated community.

There are only 100 apartments for sale. Each apartment has a floor area of 60 Sq.m Spacious lounge extended to the dining area. Each apartment has a Master bedroom en suite and one other bedroom with a shared

bathroom. Each apartment has spacious Kitchen with pantry, ample car parking space, utility area with washing and hanging facilities.

There are amenities such as Children play ground with playing facilities, Garbage Collection points and Security gated-community with a guard.

The selling price for an apartment will be **TZS 82,108,882.21 VAT exclusive**, we encourage people who are interested to comply as soon as possible for a fair and transparent selection process.
